KETCHEL AFTER JACK JOHNSON

Springfield, Mo., Sept. 15.—Stanley Ketchel, middleweight champion of the world, said here tonight that he would retire to a ranch and prepare to fight Jack Johnson for the heavyweight championship.

"I am through with fighting in the middleweight class," said Ketchel, "but I am working for Johnson. I don't want money if I lose, but will give it to charity."

TEXAS A. AND M. HAS GOOD ELEVEN

Some of the Old Timers and Good New Material Report for Practice.

(By Horace H. Shelton.)

Football practice at the A. & M. college, at College Station, is now in progress. Coach C. B. Moran is on the ground and has got his men lined out in good shape. Manager W. Scott More is also on the ground as are Slinger, Bateman, Barnes, Cretcher and Summers. The prospects for a winning team seem the brightest in years as many of the old men are back and there is much new material from which to select a team.

The following men have reported for work: George Altgelt, San Antonio; Fred P. Davis, Tyler; L. Bell, Dallas; Charles H. Foreguard, Waco; Caesar Hohn, Yorktown; D. F. Ruge, Mesquite; C. F. Schaefer, Pay City; A. W. Taylor, San Antonio; T. E. Thompson, Houston; Homer G. Lambert, San Antonio; Seth Simmons, Allan Whyte, Dallas; Lucian D. Bogan, China; Fred Lyon, Dalhart; Oscar Abbott, San Antonio; Eddie Dries, San Antonio; William Parker, Ozona; Louis Selin, San Antonio; Tommy Dwyer, El Paso; M. J. Miller, Farmersville; Walter Washington, Austin; Roy Stevens, Round Timber; W. L. Lockett, Cleburne; Robert P. Wells, Prosper; Joseph Gindry, Fort Lavaca; L. A. Hollingsworth, Houston.

Professor Kyle, of the Athletic association, is interested in the work the boys are doing. He has sided up several likely young men and expresses the opinion the team this year will be one of the strongest the school has ever put in the field.

CLOUDCROFT WILL HAVE GOLF COURSE

Nine Hole Course to Be Built For Use Next Season, Is Report.

The Southwestern system will install a nine-hole golf course at Cloudcroft next spring and will have it in readiness for the opening of the summer season at the mountain resort. This announcement was made by assistant passenger agent Garnett King, who added that the company would not only furnish the ground for the golf course and have the links laid out, but will maintain the course during each summer season at the Croft.

A committee of golfers headed by J. C. Wilmarth, of the Country club, will arrange the details of the new golf course, which will be laid out either by D. S. Libbie, the Country club golf expert, or Jack Adams, the Douglas professional. The possibilities of golf at Cloudcroft are unlimited, King says, and the Southwestern system is planning to make the most of these possibilities. The course will be similar to the old one which was used two years ago and will be laid out through the pine woods and over the rolling ground surrounding the new lodge. The course will be cared for the same as the eastern courses, and the grass will be kept trimmed to permit the golfers to have the pleasure of playing over the only grass course in the southwest.

WALTER TRAVIS LOST IN GOLF CHAMPIONSHIP FIGHT
Brookline, Mass., Sept. 15.—Walter J. Travis, of Garden City, three times title winner of the United States Golf association, packed up his clubs Wednesday at the 15th green, where John G. Anderson, of the Woodland Golf club, a former Massachusetts champion, eliminated him by a score of five up and three to play after a match, in which Travis was never in the lead.

The other victor of the day went to W. H. Wilder, of Vesper, Lowell; W. C. Fowles Jr., of Oakland, Pittsburg; Fred Herreshoff, of Ekwanok, N. Y.; Chas. Evans Jr., of Edgewater, Chicago; Warren K. Wood, of Homewood, Chicago; H. Weber, of Inverness, Toledo, and W. F. Tuckerman, of Stockbridge, Wash.

BASEBALL PLAYER WHO SLAMS 'EM

Third baseman Jimmy Austin, of the Yankees, who stood out prominently in

a recent game between the Yankees and the Washingtons, Austin slammed some remarkable hits over, three of which had a great deal to do with the winning of the game. Austin has steadily increased his prowess at the bat and he is looked upon as a corner of the very first magnitude, fully in the Wagner-Cobb class.

POLO TO BE PLAYED AT EL PASO FAIR

J. C. Rous to Have His Two Horses Entered in the Harness Events.

Dr. J. A. Edmonds, the polo expert, has almost completed his arrangements for the polo contest to be played during the El Paso fair. Dr. Edmonds now has two tentative teams organized and will begin coaching them for the fair as soon as ponies are obtained. Dr. Edmonds will also arrange for a contest at the Phoenix fair.

J. C. Rous, secretary of the first annual fair, has written secretary Frank Rich that he will have his two fast harness horses, Nancy C. and Howard G., here for the fair and will enter them in the harness purse events. The entries for this department are to be left open until the Albuquerque fair in order to allow the horse owners who enter at Albuquerque to come to El Paso.

MONEY CHANGES HANDS IN LOVINGTON RACE

Lovington, N. M., Sept. 15.—In a match race for \$300 a side, Billy Boy, owned by John Gist, of Roswell, and ridden by Walter Simmons, defeated Enky Roberts's Rattler, with Jim Roberts up, over a quarter mile course. The side bets amounted to approximately \$2000.

SPORTLETS. (By Tim.)

A dispatch from Springfield, Missouri, (located between Joplin and Jerusalem), says that Stanley Ketchel says that he will retire to a farm and train to meet Jack Johnson, so the dispatch says Stanley says. The Michigan middle also says he will give the coin to charity. Big hearted kid!

Omey Grayson, of the Louisville club, has landed Timothy Jordan, old firstbaseman of Brooklyn. It is hinted that Timothy will be manager next year.

Jack Dalton, of Cincinnati, batted out a victory at Brooklyn Wednesday. He forced in two tallies with a double and a triple, scoring himself on a single.

Willie Hoppe, champion of 18:1 billiards, has accepted a challenge made by George F. Slosson for a match of 500 points at New York November 2.

Two pitchers were decapitated at Philadelphia Wednesday, Chicago sharing in the dishonor. They were Moran and Reulbach.

Denver batted Owen out of the box Wednesday, and the Des Moines visitors lost, 2-7.

At Anacanda, Mont., Harlem Malt won the feature race Wednesday in the most sensational finish of the meeting. She moved into the lead on the turn but was challenged in the stretch by Edwin T. Fryer. The latter had his head in front 50 yards from the wire, but Harlem Malt by a game effort would her nose past him in the last stride.

The National Baseball commission has allowed the claim of the Pittsburg club against Chester M. Brandon, of the Kansas City club, for \$102.50. Brandon must pay this amount within three days or suffer suspension. Paul Seftell, of the Rochester team, was denied a claim for back salary from the Atlanta and Brooklyn clubs.

Billy Burke, driven by Benyon, won the Empire stake of \$10,000 for 2:14 trotters at the Grand circuit meet at Syracuse Wednesday. The trotting division of the Horse World stallion stake was easily won by Colorado B, while Baroness Eva won in the pacing division of that event.

At Overland park, Denver, Fred Mulholland again furnished the best finish of Wednesday's racing, when he beat Hoyle a nose in the last race. Hoyle led by five lengths into the stretch, but was outgained in the drive.

LOVINGTON THE CHAMPION OF NEW MEXICO PLAINS
Defends the Knowles Team in a Hard Fought Game on Its Home Grounds; Cowhills Used by Rooters.

Lovington, N. M., Sept. 15.—Many residents of the New Mexico plains country turned out to witness the ball game at this place, between the Knowles and Lovington teams, for the championship of the plains. The Knowles team was strengthened by players from various points in Texas, including Oscar Bell, the crack Midland pitcher. The local team also imported Caldwell, Wright and Davis from Roswell.

HEWITT RELEASED FROM EL PASO CLUB; TEAM NOW COMPOSED OF TEXAS LEAGUERS

Again the roundup roppers have been at work and another cull has been cut from the herd of Mavericks. This time it was Whittey Hewitt who had the brand "E." burned out and that member of the long horns was turned loose on the open range with the other members of the club who have been cut off from the feed trough.

Hewitt's release came Thursday morning, making the seventh of the El Paso club to be released during the week. J. B. Brewster, of Fort Worth, and Waco, of the Texas league, has been signed to play third in place of the boy with the cannon ball peg.

Brewster will appear in the lineup in the Bibebe series Saturday and Sunday at Bibebe.

This leaves but four of the old club wearing the blue and white of the Maverick club. Booles, the lefty pitcher, who was a member of the first detachment, has gone to his home in Berkeley, Cal.

The visitors to three hits for the entire game. Cowhills, cowboy yells, megaphones and auto whistles played a prominent part in the rooting.

Lovington won by the score of 12 to 1. Features of the game were Caldwell's pitching and Wright's peg, to second.

Umpire, L. McNeill.
Attendance, 1500. About \$1000 changed hands on the result.

TEXAS MEN READY FOR NEXT SEASON

Several Texas Leaguers Go to Faster Company; Scouts Are Out.

(By Horace H. Shelton.)

Pitcher Blanding and first baseman Hohnhurst, of the San Antonio team, have been drafted by the Cleveland Americans. Telegraphic notice to that effect has been received here. Hohnhurst is now at his home near Cincinnati, while Blanding is at his home in Birmingham, Mich. Both of these men did excellent work with the Bronchos last season and their loss will greatly weaken the team which was pulling down no medals for Sandow work at the close of the season.

Manager Leidy, of the San Antonio team, who has been retained for next year, is now on a scouting trip in the South Michigan league. From there he will look over players in Pennsylvania and Virginia. He has written several classy young players who have put their names to 1911 San Antonio contracts.

"Dutch" Klawitter, the Texan with Memphis in the Southern league, has made eminently good. Although with the tail enders he has won nearly as many games as any pitcher in the league. He went from Texas to the major league, but was sent back to the Southern league. His showing this season has been so good in the south that he gets another chance in faster company next year. In addition to being a good pitcher he is a pinch hitter of note, an unusual thing for a pitcher.

Pat Newnam, the Houston player with the St. Louis Browns, has bucked the traces. He has got his back up just as he often did in Texas and which greatly impaired his usefulness. O'Connor would not stand for it and the result is the Texan has been suspended indefinitely and his pay stopped. The offense occurred in last Sunday's games. One of the infielders made a wild peg to Pat and he failed to connect with it. This angered him and instead of making a sprint for the ball he lazed along. The result was the man trotted around the bases home.

O'Connor fell on Pat like a ton of brick. There was a little back talk. The result is Pat will miss a pay envelope or two.

CURTIS GUILD BANQUETS OFFICIALS IN MEXICO.
Mexico City, Mexico, Sept. 15.—Curtis Guild, representing the United States as special ambassador during the celebration of Mexico's centennial of independence, at a luncheon given by him to government officials and diplomats in Chapultepec cafe, assured his hearers that his government sought no new territory nor control and that its greatest desire was "peace with honor" and the winning of equal honor and respect for all America in every part of the world.

Foreign minister Enrique C. Criel, proposed the health of president Taft and the American nation. President Diaz was not present, but designated vice president Corral to represent him.

Following the luncheon, the entire party attended a musicale and tea given by senora Diaz in the presidential summer palace.

WHITNEY SETS A PACE IN ENGLAND
London, Eng., Sept. 15.—Harry Payne Whitney, the young American millionaire, is setting a fast pace for money

spending at London just now. He runs to expensive sport on the grouse moor and he has already spent over \$50,000 to insure a good time for the guns over Holwick Moors. One hundred baters were engaged for a day's sport. Immense sums have been spent by Mr. Whitney for jewels for Mrs. Whitney and on the voyage over the supplies of daily flowers were such as to increase the business of a New York caterer many hundreds of dollars.

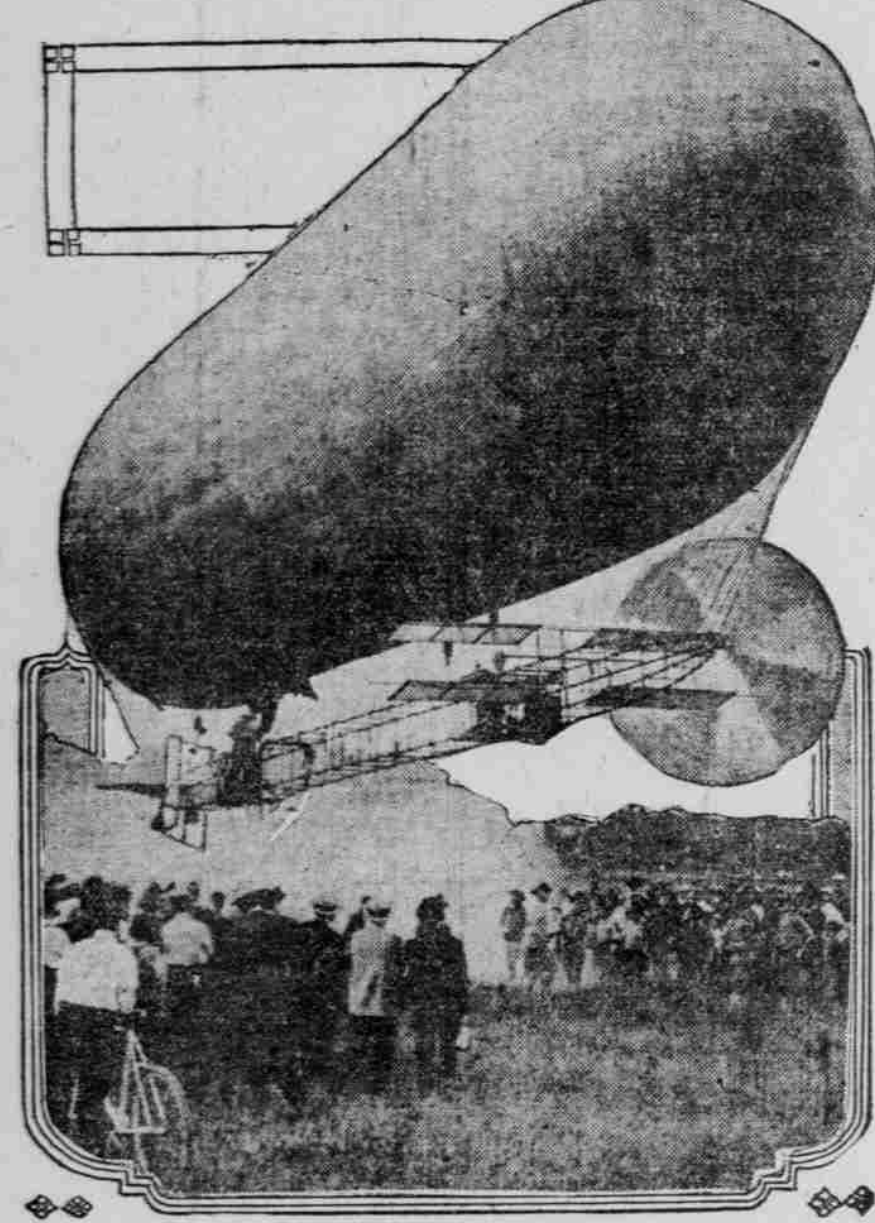

DISTURBERS ARE ARRESTED IN CITY OF MEXICO.
Mexico City, Sept. 15.—A handful of men and boys parading the streets without appearance of organization made a demonstration against El Imperial, the leading exponent of government policies.

In both cases the disturbers were dispersed by the police and several arrests were made.

TO TALK ON CHARITY.
Rev. Martin Zielonka will deliver an address on the charity movement in El Paso at the regular service at temple Mr. Sinai Friday evening. Mr. Zielonka will leave Wednesday for Waco to attend the dedication of a new temple in that city.

A DARING AIR SCOUT

Thomas S. Baldwin, the aviator, in his "Red Devil," recently flew a mile a minute in the air contest at Mineola with Charles K. Hamilton. Baldwin is known as one of the most daring of his class. He says that the reason why he has not done more record breaking things is that what he attempts at any time he feels confident he will return from. Baldwin's knowledge of aerodynamics and especially of the science of the wind currents is acknowledged by all of his compatriots.
